

New Policy for Accepting Checks:

Please make sure that you indicate in the **memo** for **what item/event you are paying**. Also, please indicate the swimmers and/or family for whom you are paying. It helps us to better balance our books.

It would be appreciated if you can pay with separate checks for each event/purchase, etc. However, you can put all of the swimmers and/or families on one check.

There will be \$25.00 fee for returned check.
